PRIZE AMMO PICK-UP POLICY

To best ensure fairness to all shooters who win prize ammo in any event, the following rules and procedures will apply to the processes of on-site prize ammo pick-up during and immediately after the shoot, as well as prize ammo shipment to all ammo winners who fail to pick up their prize ammo before leaving the event.

1. All early prize ammo pick-up will take place at the rental cart check-out table. Final ammo pick-up on Sunday evening at the large storage building across the road.
2. Pick-up will begin as soon as possible for all events, and will be posted in advance on the scoreboard.
3. First come, first served.
4. There are several load choices in prize ammo. Take your choice as long as inventory is available. Sub-gauge ammo supply is limited, and will be supplemented with 12 gauge loads.
5. We will stay open as late as necessary at the end of the shoot on Sunday evening for prize ammo distribution.
6. If you choose, a friend can pick up your prize ammo for you on Sunday evening after the event, but **only** after all shooters present have claimed their actual **personal** ammo winnings...and then only for as long as the prize ammo supply lasts.
7. **If we run out of prize ammo prior to fulfilling all requests, the only way to guarantee no cost shipping of your prize ammo is for you to be there personally after the event on Sunday evening to register for that no-cost shipping , and to specify the address to which you want your prize ammo shipped. Otherwise, your prize ammo will be UPS shipped at \$20 per case, as noted in the shoot rules.**
8. You cannot request specific loads in prize ammo to be shipped to you. That prize ammo will be one of the same loads specified above.
9. **PLEASE MAKE SURE** the registration desk has all of your complete contact information in order that we can contact you regarding prizes you have won and shipping of those prizes.
